

Flowing Grain Entrapment Response Procedure

List who to call:

- Call 911 or local emergency response coordinators, at numbers below:

- Fire _____

- Ambulance _____

- Police _____

- Speak clearly and provide the location of the accident or emergency.
- Describe the victim(s) and the nature of injuries or medical emergency.
- Contact other people as appropriate (owners, managers, employees, and neighbours) for additional assistance, i.e. equipment such as cutting tools, loaders, safety harnesses, etc. or list below where to find these items.

- Call the following people (family, employees or close neighbours) who are trained in CPR and First Aid to provide assistance prior to the arrival of first responders.

Follow the steps and actions listed in the factsheet on flowing grain.

- If the press should arrive at the scene, explain that you are focused on the rescue and the safety of the premises. Direct them to the police or fire officials on site.
