

PigSAFE | PigCARE

MANDATORY PROGRAMS ELEMENTS

Section 1: check the farm characteristics that apply to your site.

TYPE OF PIGS ON-FARM

- ☐ Breeding stock
- ☐ Suckling pigs (farrowing room)
- ☐ Nursery pigs
- ☐ Grow/Finish pigs

Do any of your pigs have access to the outdoors?	<input type="checkbox"/> YES <input type="checkbox"/> NO
<small>Access to the outdoors includes, but is not limited to, pigs raised on pasture, in pens that allow access to earthen ground/soil, in structures that do not have full solid walls to prevent contact with wildlife, and facilities that are not fully enclosed (i.e. they do not have complete floor-to-ceiling walls and/or a roof).</small>	
Are any cats housed in the same building(s) as pigs?	<input type="checkbox"/> YES <input type="checkbox"/> NO
Are any other species housed in the same building(s) as pigs?	<input type="checkbox"/> YES <input type="checkbox"/> NO

OTHER CERTIFICATIONS / FARM CHARACTERISTICS

- ☐ 10.1 Canadian Ractopamine-Free Pork Certification Program
- ☐ 10.2 Outdoor access certification
- ☐ 10.3 Multiple-species certification
- ☐ 10.4 Group sow housing certification

CHECK ALL THAT APPLY TO THE SITE

- ☐ On-Farm Feed Mill
- ☐ Receiving pigs from another source (not a closed herd)
- ☐ Feed medications used
- ☐ Water medications used
- ☐ Injectable medications used
- ☐ Other medication used (i.e. topical, oral)
- ☐ Needles used on-site
- ☐ Recycled food products and/or distiller's grain

Section 2: Mandatory Elements

This section summarizes all the mandatory elements of the PigSAFE | PigCARE Programs. This checklist facilitates the preparation of a program validation.

Prior to your first validation make sure to prepare the following Records and Standard Operating Procedures (SOPs). For additional details see the corresponding section for each required element.

MANDATORY RECORDS

 = if applicable, according to PigSAFE|PigCARE Producer Manual

Record Names		Section	Checklist
R-1	Verification Record	4.2; 4.4; 4.5; 5.3; 5.4	<input checked="" type="checkbox"/>
R-2	Incident Report (if applicable)	4.2; 4.4; 4.5; 5.3; 5.4	
R-A R-A1	Personnel and Responsibilities List or Personnel Tasks and Training List	1.1	<input checked="" type="checkbox"/>
R-B	Training Record	1.1	<input checked="" type="checkbox"/>
R-C	Code of Conduct	1.1	<input checked="" type="checkbox"/>
R-G	Swine Movement Document	3.1	<input type="checkbox"/>

 = if applicable, according to PigSAFE|PigCARE Producer Manual

Record Names		Section	Checklist
R-M	Mortality Record	6.3	<input checked="" type="checkbox"/>
R-N	Animal-Based Measures Record (if applicable)	7.3	
R-P	Medication and Vaccine Usage Plan	5.1	<input type="checkbox"/>
R-R	Rations Used On-Farm Record	3.2	<input checked="" type="checkbox"/>
R-S	Feed Sequencing, Mixing and Distribution Record	4.4	<input type="checkbox"/>
R-T	Treatment Record	5.1	<input type="checkbox"/>
R-W	Letter of Guarantee – Recycled Food Products/Distillers' Grains	3.3	<input type="checkbox"/>
R-X	Calibration Record (if applicable)	4.4	<input type="checkbox"/>
R-Y	Letter of Guarantee – Licensed Veterinarian	5.1	
R-Z	Space Allowance Record (nursery and grow/finish barns only)	7.3	<input type="checkbox"/>

MANDATORY STANDARD OPERATING PROCEDURES (SOPs)

SOP Numbers and Names		Checklist
2.2.1	Sanitation SOP and/or	<input checked="" type="checkbox"/>
2.2.2	Alternative Cleaning SOP	
4.2	Medicated Water	<input type="checkbox"/>
4.4	Feed Sequencing, Mixing and Distribution	<input type="checkbox"/>
4.5	Feed Distribution	<input checked="" type="checkbox"/>
5.2	Needles and Injections	<input type="checkbox"/>
5.3	Risk Management of Broken Needles	<input type="checkbox"/>
5.4	Medication Withdrawal	<input type="checkbox"/>
6.1.1	Pest Management – With an Exterminator or	<input checked="" type="checkbox"/>
6.1.2	Pest Management – In-House	

 = if applicable, according to PigSAFE|PigCARE Producer Manual

SOP Numbers and Names		Checklist
7.6	Care of Sick and Injured Pigs	<input checked="" type="checkbox"/>
7.7.1	Farrowing Room	<input type="checkbox"/>
7.7.2	Newly Weaned Pigs	<input type="checkbox"/>
7.8	Elective Husbandry Procedures	<input checked="" type="checkbox"/>
7.10	Euthanasia	<input checked="" type="checkbox"/>
7.11	Emergency Procedure	<input checked="" type="checkbox"/>
9.2	Humane Transportation	<input checked="" type="checkbox"/>
10.2	Parasite Management	<input type="checkbox"/>
10.3	Multiple Species Manure Management	<input type="checkbox"/>

OTHER DOCUMENTS THAT MUST BE VERIFIED DURING THE VALIDATION

 = if applicable, according to PigSAFE|PigCARE Producer Manual

Other Documents, if applicable	Section	Checklist
Prescription(s) (if medications are used on-farm)	3.2; 4.2; 4.4; 4.5; 5.1; 5.4; 10.2	<input checked="" type="checkbox"/>
Feed Delivery Slips (if purchasing feed/mixes)	3.2	<input checked="" type="checkbox"/>
Written Assurance for Wood Shavings (if wood shavings are used on-farm)	3.4	<input checked="" type="checkbox"/>
Water Test Result (only for sites that are not supplied by municipal water)	4.1	<input checked="" type="checkbox"/>
Sow Cards	5.1	<input checked="" type="checkbox"/>
Cats Vaccine Certificate for rabies and invoice or certificate to confirm they are neutered or spayed	10.3	<input type="checkbox"/>
Last year's PigSAFE PigCARE validation report		<input checked="" type="checkbox"/>

Section 3: Canadian Ractopamine-Free Pork Certification

The following records must be kept on-site:		Checklist
i.	Annex 1 – Clean-up procedures (if ractopamine kept/used on-site in last 12 months)	
ii.	Annex 2 – Agreement between the slaughter establishment and the site	
iii.	Annex 3 – Letters of guarantee from all commercial feed facilities (if purchasing feed/mixes)	
iv.	Annex 4 – Swine Movement Document for all incoming pigs	
v.	Annex 4 – Swine Movement Document (shipping manifest) for outgoing pigs	
vi.	Annex 5 – On-Site Enrollment Assessment for PID Sites and On-Farm Feed Mills	
vii.	Annex 5.1 – Annual Assessment Checklist for PID Sites and On-Farm Feed Mills	
viii.	Ractopamine-free statement on all Feed Delivery Slips (if purchasing feed/mixes)
